Third party logistics	Automotive	Logistics
Third party logistics	Automotive	Aerospace & Aviation
Headquarters (Corporate), third party logistics,consulting	Automotive	Aerospace & Aviation
Software for 3-D modeling & rapid prototyping	Electronics & Computers	Aerospace & Aviation
metrology, tooling, and machining	Metal Products	Aerospace & Aviation
Flight simulators, training devices & training	Aerospace & Aviation	Consulting Services
Manufactures webbing and cargo control products, FAA certified container repair & leasing	Aerospace & Aviation	Textiles
Aerospace assembly & engineering,FAA/EASA repair services	Aerospace & Aviation	
CNC Machining	Aerospace & Aviation	Metal Products
Produce Precision machined components & assemblies	Aerospace & Aviation	Metal Products
Precision machining services, fabrication consulting and contract manufacturing solutions, stainless steel products and CNC milling, turning and lathing	Metal Products	Machinery & Equipment
Design/Build system integrating of automated machinery and support services	Machinery & Equipment	Aerospace & Aviation
Silicon carbon whiskers, fibers and ceramic products	Composites & Advanced Materials	Aerospace & Aviation
Electrical engineering services, simulation & modeling	Aerospace & Aviation	Consulting Services
Forged products & services for aerospace & other industries	Aerospace & Aviation	Metal Products
Medical & industrial imaging film	Medical	Aerospace & Aviation
Headquarters,glass fiber products for wind, automotive & aerospace industries	Composites & Advanced Materials	Textiles
Distribution & service of air compressors	Machinery & Equipment	Aerospace & Aviation
FAA certified repair & inspection services	Aerospace & Aviation	
Repair & overhaul of fuel injection systems	Aerospace & Aviation	
Metal fabricating and powder coating services; Manufacture airport boarding ramps, store fixtures	Aerospace & Aviation	Metal Products
Machine Shop	Metal Products	Aerospace & Aviation
Custom metal fabrication	Metal Products	Aerospace & Aviation
Carbide cutting tools for aerospace & manufacturing industries	Aerospace & Aviation	Metal Products
Metals service center, cutting & grinding services	Metal Products	Machinery & Equipment
specialty textiles, belting products and engineered fabrics	Aerospace & Aviation	Automotive
Dies, production machining, special machines, design, stampings, fixtures, etc.	Metal Products	Aerospace & Aviation
Commercial offset and digital Printing	Wood & Paper Products	Aerospace & Aviation
Assembly of parts for Boeing 787 Dreamliner	Aerospace & Aviation	
Headquarters (Division), electric & pneumatic tools	Aerospace & Aviation	Electronics & Computers
Manufacturing of Electric & pneumatic tools	Aerospace & Aviation	Metal Products

Sub-assembly & warehousing	Aerospace & Aviation	Metal Products
Sub-assembly, warehousing & print management for auto & specialty industries	Aerospace & Aviation	Automotive
Tier 1 and Tier 2 products for defense, heating and air, electrical and aerospace ind	Aerospace & Aviation	Metal Products
Software for engineer-to-order, make-to-order & aviation modification, repair & overhaul applications	Aerospace & Aviation	
Engineered technical fabrics	Aerospace & Aviation	Composites & Advanced Materials
advanced materials and composites	Aerospace & Aviation	Non-Metallic Minerals
Designs & manufactures light sport aircraft	Aerospace & Aviation	
Engineering services to support Boeing	Aerospace & Aviation	Consulting Services
Automotive & aerospace parts distributor	Automotive	Aerospace & Aviation
Bearings for wind turbines, roller bearings, wire race bearing	Metal Products	Automotive
Air filtration equipment, engineering, assembly	Aerospace & Aviation	Metal Products
Headquarters, capacitors for electronics, solar & wind generation	Aerospace & Aviation	Alternative Energy
Laser components & radiation resistant glass	Medical	Electronics & Computers
Embedded computer technology systems	Aerospace & Aviation	Information Technology
Mechanical engineering for automotive, aerospace & machine design	Aerospace & Aviation	Automotive
Acoustic insulation, non-wovens automotive/non-automotive	Aerospace & Aviation	Automotive
Communication & electronic systems for Dept of Defense	Aerospace & Aviation	Information Technology
Metal punching, turning, powder coating	Metal Products	Aerospace & Aviation
Aircraft painting & refurbishing - singles, twins & small jets	Aerospace & Aviation	
Manufactures anhydrides used as curing agents for epoxy resins	Composites & Advanced Materials	Chemicals
Engineering - Aero Structures	Aerospace & Aviation	
Aircraft maintenance, repair, modification & overhaul, Final Checkout & Assembly (FACO) of T-50A	Consulting Services	Aerospace & Aviation
Aviation services, engineering & aerospace/defense support	Aerospace & Aviation	
Maintenance, flight operation and engineering services to the general aviation market	Aerospace & Aviation	
Designs & manufactures transformers & inductors	Electronics & Computers	Aerospace & Aviation
Specialized paints, metal coatings, and tech support	Aerospace & Aviation	Automotive
Engineering & systems integration, software design	Aerospace & Aviation	Information Technology
Metal cutting tools	Automotive	Metal Products
Fuel dispensing equipment distributor	Aerospace & Aviation	Automotive

Custom rubber molding incl gaskets, bushings, hoses, encapsulated wire & anti-fatigue mats	Plastics & Rubber	Aerospace & Aviation
Nonwoven roll goods & wipes for aerospace & medical industries	Aerospace & Aviation	Medical
Manufacture Stainless steel bar, coil, & rebar	Metal Products	Automotive
Gasket, Packing, and Sealing Device Manufacturing	Plastics & Rubber	Aerospace & Aviation
Worldwide aviation consulting services specializing in human factors & safety training	Consulting Services	Aerospace & Aviation
Overhead stow bins, closets & video control stations	Plastics & Rubber	Aerospace & Aviation

Large cargo freighter logistics	Aerospace & Aviation	
	Aerospace & Aviation	Chemicals
Commercial & residential grills & industrial coating systems	Consumer Products	Aerospace & Aviation
flat rolled, hot rolled, and hot dipped carbon steel products	Aerospace & Aviation	Automotive
Metals service centers and offices	Aerospace & Aviation	Electronics & Computers
Supplies & services aircraft components, subassemblies & parts	Consulting Services	Aerospace & Aviation
Sales office for precision metal components (fasteners and connecting elements)	Aerospace & Aviation	Automotive
Composite structures for aerospace & defense	Composites & Advanced Materials	Aerospace & Aviation
Aircraft procurement & leasing; logistics support & staffing	Aerospace & Aviation	
Cutting tools reconditioning services	Automotive	Metal Products
Hydraulic accumulator	Aerospace & Aviation	Automotive
Gaskets and sealing devices	Composites & Advanced Materials	Aerospace & Aviation
Metalworking for aerospace industry, mobile kitchens & products for military	Aerospace & Aviation	Metal Products
Metalworking job shop	Aerospace & Aviation	Machinery & Equipment
Aircraft Engines/Parts; Motor Vehicle Parts/Accessories	Aerospace & Aviation	Machinery & Equipment
Engineering and Design, Contract manufacturing and assembly, system integration, automation and test	Aerospace & Aviation	Electronics & Computers
Supplier of passenger seats & carpets for aviation industry, non manufacture	Aerospace & Aviation	
Logistics forwarding	Aerospace & Aviation	Automotive
Manufactures engine valves & nozzles	Aerospace & Aviation	Metal Products
Precision machining, welding, coating, assembly, testing	Aerospace & Aviation	Machinery & Equipment
Advanced knitted fabrics & other fiber structures for aerospace & other applications - reinforcing, conductive, spacer, composite preforms	Aerospace & Aviation	Textiles
Production of Aerospace bearings	Aerospace & Aviation	
Industrial ceramics	Aerospace & Aviation	Metal Products
Electronic & infrastructure solutions for military	Aerospace & Aviation	
Supplier of aircraft hardware	Aerospace & Aviation	
Material testing & chemical analysis	Aerospace & Aviation	Automotive
Airframe repair & maintenance, avionics installation & repair, interior refurbishment	Aerospace & Aviation	
Systems engineering for U.S. DOD & select commercial customers	Aerospace & Aviation	
Mfg. Drilling machines for Aerospace industry.	Aerospace & Aviation	
Manufactures wire harnesses, cable & electro-mechanical assemblies	Electronics & Computers	Aerospace & Aviation
Customized wiring harnesses	Metal Products	Electronics & Computers
Manufactures scissors & shears	Aerospace & Aviation	Metal Products
Brazing, welding, machining; Turbine combustion systems & components	Automotive	Aerospace & Aviation
Design & manufacture of electronic wiring assemblies & woven harnesses	Electronics & Computers	Aerospace & Aviation

Post-forging operations including heat treating & machining	Metal Products	Aerospace & Aviation
Production of Power Steel Fluid Systems; automobile power steering assemblies	Aerospace & Aviation	Automotive
Helicopter Rescue Hoist Ground Support Equipment	Aerospace & Aviation	
High-performance polymer tubing for aerospace, automotive, medical & other industries	Plastics & Rubber	Aerospace & Aviation
High-performance polymer tubing for aerospace, automotive, medical & other industries	Plastics & Rubber	Aerospace & Aviation
Headquarters, high-performance polymer tubing for aerospace, automotive, medical & other industries	Plastics & Rubber	Aerospace & Aviation
